Super Sport fans take note: The history you have been waiting for has finally been written. "Chevrolet SS" recounts the entire SS story from 1961 through the 1994-96 Impala SS. Chevy's SS package of the 1960s separated the musclecar pretenders from the real contenders. A dynamic selection of color and archival photographs along with detailed text highlights Chevelle, Camaro, Nova, Impala, Chevy II, Monte Carlo, and El Camino SS models.

Uncover the captivating history of the highest-performance cars in America, illustrated with beautiful photography. The American muscle car began not in the factories of the big three automakers, but in the garages and dealerships of a hot-rod subculture bent on making the hottest, highest-performance cars on the street. The Complete Book of American Muscle Supercars catalogs these amazing cars, along with the builders who unleashed them on the American scene. From Michigan's Royal Pontiac dealership and the souped-up Royal Pontiac Bobcats they built and sold, to the new cars from such fabled names as Carroll Shelby, Mr. Norm's Grand Spaulding Dodge, Nickey Chevrolet, Don Yenko, George Hurst, Baldwin-Motion, Calloway, SLP, and Steve Saleen. This gorgeously illustrated book chronicles the outstanding contribution of the tuner/builder to American automotive history through the amazing machines they created. From the oldest of these muscle tuners commanding top dollar at today's classic-car auctions, to the latest vehicles by Ford and Chrysler, with their SVT and SRT divisions, this book gives readers a full and fascinating look at American high-performance in its purest form.

DIVOn the 1957 auto show circuit, Chevrolet unveiled a show car based on its Corvette and dubbed it the à € œSuper Sport. à €? The performance car world took one look and never looked back. A combination of styling and performance upgrades, the SS package could turn something as mundane as a six-cylinder Malibu into the fire-breathing Chevelle SS396. This book traces the long line of legendary SS models, from Chevy à €™s Super Sport version of its popular Impala, which marked the dawn of the muscle car era, to today à €™s Impala SS. Featuring the work of acclaimed photo ace David Newhardt, Chevy SS: The Super Sport Story provides a close-up, detailed, full-color look at such classic muscle cars as the Chevelle, the El Camino, the Malibu, and the Monte Carlo as well as today's hot Camaro SS. The book is a fittingly elegant celebration of the cars that redefined à € œhigh performance à €? and defined an era./div

Head back to the beach with three more clean and wholesome summer romance beach reads from the Blue Bay series. Summer with the Cowboy: She 's had a lifelong case of wanderlust. He 's a cowboy with a secret past. New to town, her neighbor might just make her want to put down roots. Summer with the Carpenter: She inherited a Bed & Breakfast. He 's the contractor hired to fix up the old building. They can 't stand each other, but they have to get married or lose the inn. Summer with the Doctor: She 's a jilted bride on the run. He 's a doctor seeking escape. What starts as a simple summer fling could turn into something more. Find family, friends, and home in this small, seaside town and fall in love with this trio of heartwarming romances, featuring enemies to love, a marriage of convenience, second chances, and more. These stories are sweet, " clean and wholesome " romance, faith-friendly, and each contains a happily ever after.
