Lesson II that covered pretty much all of the Trig that the rest of the class did not cover.

## ~~Algebra II vs. PreCal???~~ — College Confidential

If your school will allow it, you probably could take algebra 2 and PRE-calc together. Pre calc doesnt use any real calculus, just advanced algebra. Check with your counselor to see if this is...

## ~~Can I take Algebra 2 and Pre Calc the same year?~~ | Yahoo ...

Pre-calculus: You study objects moving with constant velocities. Calculus: You study objects moving with acceleration. Using algebra, you can find the average rate of change of an object over a certain time interval. Using calculus, you can find the instantaneous rate of change for an object at an exact moment in time.
