FINANCIAL AND MANAGERIAL ACCOUNTING USING EXCEL FOR SUCCESS leads students to accounting mastery while increasing Excel proficiency. Built with the modern business world in mind, this adaptation of the introductory textbook, FINANCIAL AND MANAGERIAL ACCOUNTING, 11E offers an innovative 4-step system for students to: (1) Read the accounting concept and illustration. (2) Follow the same concept using the Excel Success Example. (3) Practice using the Try It Tutorial online. (4) Apply knowledge by completing the Excel Success problem in the homework. This text reinforces key accounting concepts through 6 basic Excel formulas. Students build an Excel portfolio to demonstrate basic competencies in accounting and Excel. Each new copy of the book comes packaged with an access code that allows students to use the online Excel Try It Tutorials. These tutorials guide students through the hands-on process of entering formulas and understanding how to Excel for accounting. Excel Success Special Activities at the end of the chapter require students to manipulate spreadsheets and save the files to demonstrate Excel competency. Within the auto-graded online homework products (CengageNOW and Aplia), students are asked to document their Excel processes. Get where you need to be with CORNERSTONES OF FINANCIAL ACCOUNTING. Cornerstones delivers a truly unique learning system that is integrated through the entire introductory managerial accounting journey — ensuring students will leave the course with the knowledge they need to be future business leaders. Students are guided through: Building A Strong Foundation: Students need to build a strong foundation of the fundamentals before they can move forward in this course. The unique Cornerstones approach gets them through the fundamentals FASTER so that they can transition to analyzing and applying concepts. Understanding Relationships: Rather than focusing on concepts in isolation, students should understand accounting as a system and recognize how the end result changes based on how the numbers affect each other. CORNERSTONES aids students in this step as an important part in training them to be good decision makers. Making Decisions: Armed with the knowledge they have gained from working through the other aspects of the Cornerstones approach, students are now given the tools to bring their knowledge full-circle and practice making good business decisions. Students love this approach because it presents materials the way they learn. Instructors love it because it gets students to master the foundations more quickly and allows more time to learn and apply the analysis and decision making of accounting. "Fundamental Managerial Accounting Concepts" 4e by Edmonds/Edmonds/Tsay/Olds focuses on concepts that are isolated and introduced in a logical sequence. The authors intentionally limit the scope of the material to help students build a solid foundation of the most important concepts in managerial accounting. "Fundamental Managerial Accounting Concepts" 4e is organized in a distinctive way, particularly in the first six chapters. The objective is to establish a coherent, integrative framework that enables students to build knowledge in stepwise fashion. The authors' goal is for students to understand the underlying principles of accounting, not just memorize content.

Get the solid foundation you need to pass the NCLEX-PN® exam and succeed in practice! deWit's Medical-Surgical Nursing: Concepts and Practice, 4th Edition builds on the fundamentals of nursing with complete coverage of adult medical-surgical conditions, including roles, settings, health care trends, and all body systems and their disorders.
