Mele and Miller offer a timely, insightful analysis of the continuing challenges faced by ex-felons upon re-entry into society. Such penalties include a lifetime ban on receiving welfare and food stamps for individuals convicted of drug felonies as well as barriers to employment, child rearing, and housing opportunities. This much-needed work contains pieces by scholars in law, criminology, and sociology, including: Scott Christianson, Michael Lichter, and Daniel Kanstrom.

Stop Searching . . . Start Finding! Professionals frustrated with searching for public records can now get accurate and current information on how to obtain records directly from the government. The revised and updated 5th edition of The Sourcebook to Public Record Information profiles-in-detail over 20,000 government agencies that house public records.
