From the bestselling author of *The Mind Map Book* and *Use Both Sides of Your Brain*, dramatically increase your reading speed, comprehension, and retention. Tony Buzan, world-famous expert in the field of the brain and the inventor of Mind Mapping, has gained international recognition with the methods outlined in *Speed Reading*. While it contains the traditional information on speed reading, this is the first book on the subject to utilize the latest discoveries about the astounding potential and intricate workings of your brain. In an easy-to-understand, direct style this classic guide provides:

- New approaches to reading, study, concentration, and learning
- Self-help tests designed to stimulate interest in different areas of knowledge
- Measurement of your speed and comprehension to broaden your expertise.

The revised Third Edition offers state-of-the-art techniques for improving reading speed and comprehension, from the simplest level to the most complex.

The definitive guide to using the Mind Map technique to get organized, improve your memory, plan your business strategy, and more—from the original creator of this revolutionary thinking tool. For the past five decades, Tony Buzan has been at the leading edge of learning and educational research with his revolutionary Mind Map technique. With *Mind Map Mastery*, he has distilled these years of global research into the clearest and most powerful instructional work available on the Mind Map technique. Tony Buzan's Mind Map technique has gathered amazing praise and an enormous worldwide following over the last few decades—but as with any very successful idea, there have been many sub-standard imitators. With *Mind Map Mastery*, Tony Buzan re-establishes the essential concepts that are the core of the Mind Map with a clarity and practicality unrivalled by other books. If you are looking to improve your memory, plan your business strategy, become more organized, study for an exam or plan out your future, this is the book for you. With a clarity and depth that far exceeds any other book on the subject, it includes:

- The history of the development of the Mind Map
- An explanation of what makes a Mind Map (and what isn't a Mind Map)
- Why the Mind Map technique is such a powerful tool
- Illustrated step-by-step techniques for Mind Map development
- How to deal with Mind Maps that have “gone wrong”

Developed both for those new to the Mind Map concept as well as more experienced users who would like to revise and expand their expertise, *Mind Map Mastery* is the one Mind Mapping book needed on the shelf of every student and businessperson across the world.
