Having this book in your pocket is just like having a real marque expert by your side. Benefit from Richard Copping and Kenneth Cservanka's years of Volkswagen Transporter ownership and experience to learn how to spot a bad example quickly, and how to assess a promising one like a professional. Get the right van at the right price! Packed with good advice - from running costs, through paperwork, vital statistics, valuation, and the VW community, to whether a VW Transporter T4 will suit you and your lifestyle - Volkswagen Transporter T4 (1990-2003) is THE COMPLETE GUIDE to choosing, assessing and buying the Transporter of your dreams.

The ultimate guide to converting your Volkswagen T4 or T5 into a camper van, at home or in the workshop. With step-by-step instructions and photography throughout, this book clearly demonstrates how to safely and effectively transform your VW van into a practical, affordable camper using DIY skills, and basic hand and power tools. Geared towards the home-builder, the book covers: buying guides and planning; tools, materials, costs and legalities; insulation, carpet lining and flooring; fitting a pop-top roof and windows; building

interior units, doors and drawers; fitting a rock and roll bed, roof beds and swivel seats, and finally, installing water, gas and electricity, with safety at the forefront. Fully illustrated with 435 colour photographs and step-by-instructions.

Cars.

Here, Volkswagen enthusiast and prolific author Richard Copping examines, for the first time, the complete story of the T4 from the Transporter concept originated forty years before its presence at VW's Hanover factory, through its development period and full production life. Topics covered include: the background story 1949-1990; design concept to production in the 1980s; full analysis of the T4's specifications; face-lifted Caravelles and Multivans from 1996 onwards; petrol- and diesel-aspirated engines including the VR6, V6 and 2.5 litre TDI; the T4 story in the USA - the Euro Van and finally camping conversions. The complete story of the Volkswagen T4, produced between 1990 and 2003 and the first book in the English language to have been written, illustrated and published solely about the T4, beautifully illustrated with 300 colour photographs - a sparkling mixture of archive and modern-day imagery.

Using the trusted Haynes practical approach, this all-colour manual follows the restoration of a 1971 Panel van and a 1979 Devon camper from beginning to end. Featuring hundreds of photographs and helpful diagrams where necessary, this is the only guide to restoring (or part-restoring) a "Bay" you will ever need.

Easy to follow step by step instructions & advice which enables the owner to carry out many jobs himself for the Mercedes-Benz Sprinter Van & Camper Diesel. Models covered: 208 CDI, 308 CDI, 211 CDI, 311 CDI, 411 CDI, 213 CDI, 313 CDI, 413 CDI, 216 CDI, 316 CDI, 416 CDI with the 2.2 & 2.7 litre CDI Diesel (types 611 DELA & 612 DELA) From 2000 to 2006 with the common rail injection system. A total of 232 fully illustrated pages.

This volume contains detailed, step-by-step instructions for converting a VW Transporter van or bus to a Camper. It gives advice on how to choose the best van for your needs and prepare it - how to plan the layout and choose fittings, how to fit an elevating roof, how to cut panels and fit utilities.

Want to wake up to a breathtaking new view every morning? Have you been dreaming about owning a vehicle to fuel your adventures? Building a campervan gives you total freedom to create your very own rolling home. Escape the daily grind, hit the open road and re-write the way you live. The Van Conversion Bible is the ultimate guide to planning, designing and converting a campervan. It's more than just the story of how we built our own van Ringo, it will help you build a van bespoke to your needs. It provides definitive answers to your questions (even the ones you haven't thought of yet!) to ensure you save time and avoid expensive mistakes. From detailed gas, water and electrical system diagrams to a step-by-step build guide, you'll find everything you need to start your journey inside. Whatever your skills and budget, you can learn how to build your dream campervan. Your very own home on wheels awaits...

Researched in incredible detail, this book explores the story of the timeless VW bus, from early origins through to the present day. This entirely new edition includes details of many of the different camper conversions, and examines the social history and the T2's evolution. Including full specifications, production figures and buying advice, this is a must for any VW enthusiast.

The complete practical guide to modifying VW Bus (Transporter) T1 to T5 suspension, brakes and chassis for maximum performance. Contains essential information on using aftermarket parts and interchangeable parts from other production vehicles to achieve great handling (and a lower stance if required). This edition includes many new photographs and archive pictures plus an additional 16 pages of information.
