day and during the year.

REVIEW: Close Up Photography in
Nature, by John and ...

Alberto's aim is to show beauty in the smallest details. Getting close to nature is something most photographers of the natural world would regard as

Download Ebook Close Up Photography In Nature

fundamental. After all, they want to capture a place full of wonder and beauty, and to do this properly they must immerse themselves within it. But few photographers can claim to take the process to the limits that Alberto Ghizzi Panizza has done in his body of work.
