The State of Democracy in Asia — The Diplomat  
To build hypotheses for value change and democracy in East Asia, we must shed some light on Confucianism, the shared cultural background of all East Asian countries. In contrast to Europe, it is not a religion, more a worldview, a social ethic, a political or state ideology, a scholarly tradition, and a way of life (Rozman 2002: 13). Traditionally, all East Asian countries are influenced by Confucianism, even though there were and are local adaptations.
