Depth Of Knowledge Common Core [PDF-EPUB EBOOK]

The Iowa Core Standards for Literacy and Mathematics play a central role in defining what teachers teach. The Standards define the topical, procedural and conceptual knowledge students must learn, as well as the type of thinking in which they must engage. This is known as cognitive demand or cognitive complexity. In other words, the Standards require teachers to provide students with instructional experiences that not only address the topical, procedural, and conceptual knowledge in the ...
