"The franchise agreement is the document that establishes the franchise relationship. This business relationship is characterized by a franchisor granting a franchisee a temporary or time- limited right to use the franchisor's system and trademarks to conduct business. Because there is no 'one size fits all' template for drafting a franchise agreement, this must-have resource provides proven guidance on the core issues covered by a well-drafted agreement and how to carefully analyze the many considerations involved."--

These standards have been prepared to promote uniformity in the appraisal of real property among the various agencies acquiring property on behalf of the U.S., by both direct purchase & condemnation. Contents: standards for approaching the solution to certain recurring appraisal problems (cost approach, income approach, highest & best use, etc.); data documentation & appraisal reporting standards (zoning & other land use regulations, contents of appraisal report, etc.); general standards of a miscellaneous nature (impartiality, witness composure, leasehold takings, etc.). Cases & statutes.

"... there is a lack of a clear and simple exposition of the CISG for students and practitioners. That is the role of the current book, which it fills admirably. All of the issues that have been raised in the cases and the literature are considered, but without excessive detail. This is a book that will do much to make the CISG an easily understandable text for all users, student and practitioner alike." Preface by Professor Eric E. Bergsten
