There are approximately 500 different Online Survey Companies advertised on the Internet. I've participated in several online surveys for cash and researched hundreds of them. I've found that, just like everything else in life, there are the good, the bad, and the really, really ugly. The good survey companies consist of those that actually pay you a little bit of money for your time, don't sell your information to telemarketers, don't send you thousands of e-mails, most of which end up in your bulk mailbox, and tell you exactly what each survey you're taking is worth in terms of dollars. The good survey companies are an excellent way to bring in a few extra dollars from the privacy of your home. This book will introduce you to the top 20 survey companies and the pros and cons of each one so you can pick and choose and save a lot of time and effort doing it yourself. It will also introduce you to a very effective method to cash in on online surveys! Shall we get started?
