The Legend of Chuck Norris Lives On After the deadly duo of The Truth About Chuck Norris and Chuck Norris vs. Mr. T roundhouse-kicked bestseller lists, Ian Spector returns to complete the thrillogy that has become just as unstoppable, herculean, and legendary as Chuck Norris himself. Chuck Norris Cannot Be Stopped reveals 400 all-new facts about the roughest, toughest, and buffest man to ever stalk the face of the Earth. This third testament about the master of macho manliness uncovers such unknown facts as: "Jesus follows Chuck Norris on Twitter. "The reason we haven't found Osama Bin Laden is because Chuck Norris found him first. "When Chuck Norris tells time, time obeys. "A solar eclipse is the sun's attempt to hide from Chuck Norris. "Someone once put Chuck Norris on hold. That's where the term choke-hold comes from. "A man once broke every bone in his body to avoid Chuck Norris doing it for him. Brimming with brawn and full of fortitude, Chuck Norris Cannot Be Stopped contains everything you ever wanted to know about Chuck Norris but were too terrified to ask.

Travel through time and experience the gastronomic history of Hill Valley with this colorful cookbook inspired by the Back to the Future trilogy. Hill Valley may have changed a lot over the years, but the idyllic town of the beloved Back to the Future movies is a treat to visit in any time period. Divided into five chapters, this quirky cookbook explores the complicated history of Hill Valley through the best possible medium: food. Start your culinary journey in good ol' 1985 with some delicious American comfort food, then travel back to 1955 for some classic diner cuisine. Jump to the far future of 2015 and nosh on some dehydrated pizza. Things might get a little greasy in Biff ' s alternative, dystopian 1985, but the hardy frontier food of 1885 will keep you going through shoot-outs, train robberies, and whatever else the Wild West has to throw at you. Featuring full-color photography, alternative ingredient suggestions, and helpful notes from some of your favorite characters (Hi, Doc!), this time-hopping, genre-defying cookbook is the perfect gift for foodies, home cooks, and Back to the Future fans of all ages!

The Proverbial Cat is a collection of delightful cat illustrations by artist Sydney Hauser. Over the years, Hauser's works of art and calligraphy have been tremendously popular among cat lovers. Her ability to capture feline expressions allows her to create illustrations that are warm and wise, with just a touch of "attitude!" Paired with each illustration is a maxim, a proverb, or a thought that captures what it means to be a cat. The Proverbial Cat is a charming gift for those who celebrate the domestic cat!

Part inspiration, part information narrative for our story is based on walking meditation, also known as mindful walking; an active practice that requires you to be consciously aware and moving in the environment rather than sitting with your eyes closed. Just as The Life-Changing Magic of Tidying Up, Marie Kondo's mega-selling book (over 4 million copies sold worldwide) provides readers with a life/spiritual philosophy embedded in the how-to of minimalism (with practical tips for de-cluttering of one's home), A Walk in the Wood provides a narrative grounded in the simple act of slowing down, observing what is around us, and being present. Appealing to adults who are actively searching ways to join the JOMO movement (Joy of Missing Out and being content just "being"), A Walk in the Wood also makes for a perfect gift for stressed-out family members and friends.

Exploding off the page with over 1,000 of the best examples of exploitation, grindhouse, and pulp film poster design comes The Art of the B Movie Poster, a collection of incredible posters from low-budget films from the 1940s, 50s, 60s, and 70s. Once relegated to the underground and midnight movie circuit, these films and their bombastic advertisements are experiencing a surge of mainstream popularity driven by fans appreciative of the artistic skill, distinctive aesthetic, and unabashed sensationalism they relied on to make a profit, with the quality of the poster often far surpassing that of the film itself. The book celebrates this tradition with sections divided into "moral panic" films, action, horror, sci-fi, and of course, sex, each introduced with short essays by genre experts such as Kim Newman, Eric Schäffer, Simon Sheridan, Vern, and author Stephen Jones, winner of the Horror Writer's Association 2015 Bram Stoker Award for Non-Fiction. Edited by Adam Newell and featuring an introduction by author and filmmaker Pete Tombs, The Art of the B Movie Poster is a loving tribute to the artwork and artists that brought biker gangs, jungle girls, James Bond rip-offs and reffer heads to life for audiences around the world.
