Bestselling author of *The Fault in Our Stars* John Green crafts a brilliantly funny and moving coming-of-age journey about true friendship and true love.

In a very short time, John Green has become an icon of young adult literature. His first novel, *Looking for Alaska* (2005) won the Michael Prinz award, *Paper Towns* (2008) received an Edgar Allan Poe award, and in 2014, *Time*

magazine named him one its 100 Most Influential People. The Fault in Our Stars reached number one on the New York Times bestseller list, and the film adaptation was a worldwide hit. John Green: Teen Whisperer looks at the work of a versatile author whose works have fast become must-reads for teens and adults alike. After providing a biographical sketch of the author, subsequent chapters focus on different “types” of Green’s writing: radio broadcasts, blogs, vlogs, YouTube videos, and, of course, his novels, including *An Abundance of Katherines* (2006) and *Will Grayson, Will Grayson* (2010). This volume concludes with an interview of Green and a unique final chapter that considers not

Only the young adult view of his work, but an adult perspective as well. Based on extensive research, this book captures the diverse elements of Green and his work: predictable, but surprising; stable, yet enigmatic; aloof, but deeply caring; hip, but homespun; irreverent, but deeply spiritual. Exploring why his writing reaches both teens and adults, *John Green: Teen Whisperer* will be of interest to librarians, scholars, and the author's many fans.

Here, and in the towns beyond, the young live hard and wear the scars. Amongst them, there’s jilted Jimmy, whose best friend Tug is the terror of the town and

In each story, a local voice delineates the grittiness of post boom Irish society. These are unforgettable characters rendered through silence, humor, and violence. "Lyrical and tough and smart . . . Gentleman in Moscow and Rules of Civility and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in

A Vietnam-era Breakfast Club bonds over music and their distaste for the Vietnam War and decides to take a stand against the US government and the violent racism in their own town.

From the acclaimed author of *The Boys of My Youth* and *Festival Days*, a “mesmerizing... beautifully written” debut novel that evokes the wrenching, exquisite moment just before we step into adulthood (Ann Patchett). The fourteen-year-old narrator of *In Zanesville* is a late bloomer. She flies under the radar — a sidekick, a marching-band dropout, a disastrous babysitter. Luckily, she has a best friend with whom she shares the everyday

adventures of a 1970s American girlhood, incidents through which a world is revealed and character is forged. In time, the two girls' friendship is tested — by their families' claims on them, by a clique of popular girls who stumble upon them, and by their first startling, subversive intimations of womanhood. With dry wit and piercing observation, Jo Ann Beard shows us that in the seemingly quiet streets of America's innumerable Zanesvilles is a universe of wonders, and that within the souls of the awkward and the overlooked often burns something radiant. "Probably my favorite novel of the year...A marvelous reading experience...I don't think I'll ever forget the
