□ Timely, as The Episcopal Church considers the shape that prayer book revision may take 2015 marks the thirtieth anniversary of Lee Mitchell's great standard work on the 1979 Book of Common Prayer. As his student, protégée, and colleague, Ruth Meyers takes this classic work and updates it for the Church in its current era and for the future. For clergy, seminarians, liturgists, historians

- Newest volume in the "Celebrating" series - Written by a well-known liturgical scholar - Includes history, theology and practical information Celebrating the Rites of Initiation continues the standard of scholarship set by Patrick Malloy's Celebrating the Eucharist, and offers similar aids around issues of baptism and confirmation. It is an ideal book for

students and practicing clergy who seek to strengthen their knowledge-and parochial practice-of baptismal theology.

This book documents the Episcopal Church's developing focus on baptism within the context of the liturgical movement, the emerging understanding of the eucharist, prayer book revision, and the confirmation dilemma. Drawing on historical and contemporary sources, the author presents a credible case in support of her belief that a baptismal ecclesiology is emerging from these events that have enabled people to accept a radically different initiatory pattern in the church. This book exhibits clarity on the issues discussed with the support of solid scholarship and lucid writing. Contents:  
The Traditional Anglican Pattern The Emergence of a

Reaffirmation of Faith Includes appendices, bibliography, and  
index.

The church's development and use of sacraments has evolved in many ways from the days of the early church to the present. This sourcebook provides key theological texts that played a role in those movements. Johnson traces the history and theology of individual sacraments along with their liturgical context in the church's worship. He includes

materials previously developed in James F. White's classic collection, Documents of Christian Worship: Descriptive and Interpretive Sources (Westminster John Knox Press, 1992), and supplements these to provide a wide range of indispensable materials. He also contributes helpful background notes to give the reader the full breadth and depth of the church's thought on these important topics. This book will be of great value to those studying the history of Christian worship and the development of the sacraments.

A manual of ideas and experiences emphasizing the fact that a good presider must be aware of what will happen at every planned moment of a liturgical celebration.

## Online Library Praying Shapes Believing A Theological Commentary On The Book Of

In this third and final volume in a series of ceremonial guides to worship in the Episcopal Church according to The Book of Common Prayer, Leonel L. Mitchell focuses on the pastoral and occasional liturgies. Beginning with the celebration of the Daily Office, he goes on to discuss the seasonal liturgies beyond the Lent-Easter cycle, including Advent Lessons and Carols, Candlemas, and Rogation processions. The pastoral offices include baptism, marriage, the blessing of homes, reconciliation, ministry to the sick, and burial. Finally, Mitchell concludes with the services involving bishops, including celebrations of new ministries, consecrations of churches, and ordination rites. Like its two companion volumes, Howard E. Galley's *The Ceremonies of the Eucharist* and Mitchell's *Lent, Holy Week, Easter, and the Great Fifty Days*, this new

Common Prayer Revised Edition 1979  
Series in Liturgics

guide offers clear descriptions of ways of celebrating the rites as well as the theological and historical reasons behind them. The book is designed to be useful in churches of all sizes, small and large.

This long-awaited companion volume to Howard E. Galley's classic *The Ceremonies of the Eucharist* provides clergy, liturgical assistants, and altar guild members with clear, step-by-step guidance for the liturgies of Lent and Easter. In addition to background material for the traditions and theology of each season, Mitchell includes specific preparations and instructions for each liturgy of the paschal cycle—Ash Wednesday through Pentecost—as well as *Tenebrae*, the *Way of the Cross*, the *Vigil of Pentecost*, the liturgies of the

Common Prayer, Revised Edition, World Series in Liturgics  
catechumenate, and the chrism mass. He also provides helpful ideas for how the often complex liturgies of these seasons can be done simply and well by small congregations. Based on the liturgies of The Book of Common Prayer and the latest edition of The Book of Occasional Services, this ceremonial guide also draws on the paschal liturgies of other Anglican traditions, including those in Canada's Book of Alternative Services.

A fresh perspective on how liturgy can support social justice work Proclaim! is an exploration of Episcopal liturgy from a black, queer, millennial perspective, with an eye toward proclamation and justice. Part memoir, part history, part biblical studies, and part practical theology, Proclaim!

## Online Library Praying Shapes Believing A Theological Commentary On The Book Of

Suggests that the politics of our liturgical tradition is the ground from which we can engage in the justice work that our world needs. Each chapter explores theology, a biblical story, and the real-world practice of evangelism and mission. The liturgy can serve as the theological well from which we might draw wisdom to engage the issues of justice, equity, and compassion in the world today. The question is not whether or not to engage politics; rather, the question is: whose politics are being reflected? Furthermore, what shape might our lives take if we took our worship of God seriously? People who are curious about what justice looks like in the Church or who are seeking new resources to sustain their work will be affirmed in Halley's book.
