Sleeping Giants (Themis Files, #1) by Sylvain Neuvel

Sleeping Giants is told in the form of recordings; these include recordings of interviews between an unknown person and our main characters, recordings of our characters' personal journal entries and recordings of experiment logs. I found this form of writing an amazing way to read this type of book as it added another element to the story.

The sleeping giants are a more curious case though, as they are the clubs with the potential to challenge the established big clubs. It is often the case that sleeping giants are clubs that were once great but have fallen away, whilst some have never reached their potential. There are a few ingredients which qualify a club as a sleeping giant.

Bei der Lektüre von SLEEPING GIANTS war ich offen gestanden oftmals hin und hergerissen: die Grundprämisse finde ich gut, und auch die Schreibweise und Struktur des Buches gefällt mir. Außerdem kann man nicht abstreiten, dass die Autorin einige wirklich spannende und originelle Ideen hat und diese auch gekonnt schildern kann.
