Musical performance has been a part of television since the introduction of the medium. The styles and production requirements of music and of television have long influenced the other. Murray Forman gives the history of this interaction, going back to the early years of television, before the broadcast networks, up through the late fifties. He explores the full range of popular music from show tunes to Latin in a wide variety of television programs, and shows how the standards of presentation and performance developed.

From Hollywood TV and film producer, Terence Michael. Hollywood produces its on-screen heroes to take steps to achieve their goals. These same principles can be applied to anything you are seeking to accomplish or improve. You can Produce Yourself to be the hero and not just a supporting character in your life's story.

In one of NPR's 100 Best Thrillers Ever, FBI agent Pendergast discovers thirty-six murdered bodies in a New York City charnel house . . . and now, more than a century later, a killer strikes again. In an ancient tunnel underneath New York City a charnel house is discovered. Inside are thirty-six bodies--all murdered and mutilated more than a century ago. While FBI agent Pendergast investigates the old crimes, identical killings start to terrorize the city. The nightmare has begun. Again.

In this book, Jack Banks examines the historical development of music video as a commodity and analyzes the existing structures within which music video is produced, distributed, and exhibited on its premier music channel, MTV. }In August 1981, Music Televisionnow popularly known as MTVwas launched. Within a matter of years it revitalized a struggling record industry; made the careers of leading pop stars like Madonna, Boy George, Cyndi Lauper, and Duran Duran; infiltrated traditional network television and the movie industry; revolutionized the advertising industry; and stimulated purchases in several markets, most notably fashion apparel. The reach of MTV has proven long and profitable. In this book, Jack Banks examines the historical development of music video as a commodity and analyzes the existing structures within which music video is produced, distributed, and exhibited on its premier music channel, MTV. Who controls MTV? What part do record companies play in the financing and production of music video? How do the power brokers in the business affect the ideological content of music video? Given the tight sphere of influence within the music industry, what are the future trends for music video and for artistic freedom of expression? Banks tackles these questions in an intelligent, lively, and sophisticated investigation into one of the most influential media enterprises of our society. }

A latest edition of a popular guide features updated and expanded entries in nearly 50 categories and incorporates new material for topics ranging from atheism and discoveries to beer and digital media.

Supplementing Movies Made for Television: 1964-2004, this new volume contains entries on an additional 400 television films and mini-series produced between 2005 and 2009. Each entry includes extensive production credits (director, writer, producer, composer, director of photography, and editor) and a complete cast and character listing.

Western Media Systems offers a critical introduction to media systems in North America and Western Europe. The book offers a wide-ranging survey of comparative media analysis addressing the economic, social, political, regulatory and cultural aspects of Western media systems. Jonathan Hardy takes a thematic approach, guiding the reader through critical issues and debates, introducing key concepts and specialist literature. Western Media Systems is essential reading for undergraduate and postgraduate students studying comparative and global media.

From the Fab Five--the beloved hosts of Netflix's viral hit Queer Eye--comes a book that is at once a behind-the-scenes exclusive, a practical guide to living and celebrating your best life, and a symbol of hope. Feeling your best is about far more than deciding what color to paint your accent wall or how to apply nightly moisturizer. It's also about creating a life that's well-rounded, filled with humor and understanding--and most importantly, that suits you. At a cultural moment when we are all craving people to admire, Queer Eye offers hope and acceptance. After you get to know the Fab Five, together they will guide you through five practical chapters that go beyond their designated areas of expertise (food & wine, fashion, grooming, home decor, and culture), touching on topics like wellness, entertaining, and defining your personal brand, and complete with bite-sized Hip Tips for your everyday quandaries. Above all else, Queer Eye aims to help you create a happy and healthy life, rooted in self-love and authenticity.

An account of the rise and fall of Extreme Championship Wrestling describes its cult-like fan base, its influence on the rules and policies of World Wrestling Entertainment, and the contributions of such figures as Mick Foley and Stone Cold Steve Austin.
