The Dystopia Chronicles is the second book in the Atopia Series. The book follows Bob, Sid, Vince, and Nancy each on separate adventures looking for Willy's body. This book is quite different from anything else I've read.

~~The Dystopia Chronicles Atopia Series~~
The Dystopia Chronicles is the second book in the Atopia series. I enjoyed this middle novel much more than book one. I think it helped that the author chose to follow a smaller group of the main characters, namely: Bobby, Sid, Vince and Willy while leaving others Jimmy, Nancy a bit more in the background.

~~Atopia Chronicles – The Complete Series~~

In the near future, to escape the crush and clutter of a packed and polluted Earth, the world's elite flock to Atopia, a massive corporate-owned artificial island in the Pacific Ocean. It is there that Dr. Patricia Killiam rushes to perfect the ultimate in virtual reality: a program to save the ravaged Earth from mankind's insatiable appetite for natural resources.

Darknet is a dystopian novel that follows Jake O'Connell a New York City stockbroker who is hunted by an artificial intelligence. The AI system has found a way to interact with the real world using darknets, assassination markets, virtual currencies and advanced chatbots. It is claimed that this book is "based on real-world technologies".
