### Generation To J J Abrams The Complete

Volume two of a fifty-year oral history of Star Trek by the people who were there sharing never-before-told stories.

NEW YORK TIMES BESTSELLER \* “GRIPPING...THIS YARN HAS IT ALL.” —USA TODAY \* “A WONDERFUL BOOK.” —Christian Science Monitor \* “ENTHRALLING.” —Kirkus Reviews (starred review) \* “A MUST-READ.” —Booklist (starred review) A human drama unlike any other—the riveting and definitive full story of the worst sea disaster in United States naval history. Just after midnight on July 30, 1945, the USS Indianapolis is sailing alone in the Philippine Sea when she is sunk by two Japanese torpedoes. For the next five nights and four days, almost three hundred

miles from the nearest land, nearly nine hundred men battle injuries, sharks, dehydration, insanity, and eventually each other. Only 316 will survive. For the first time Lynn Vincent and Sara Vlastic tell the complete story of the ship, her crew, and their final mission to save one of their own in “a wonderful book...that features grievous mistakes, extraordinary courage, unimaginable horror, and a cover-up...as complete an account of this tragic tale as we are likely to have” (The Christian Science Monitor). It begins in 1932, when Indianapolis is christened and continues through World War II, when the ship embarks on her final world-changing mission: delivering the core of the atomic bomb to the Pacific for the strike on Hiroshima. “Simply outstanding...Indianapolis is a must-read...a tour de force of true human drama”

(Booklist, starred review) that goes beyond the men's rescue to chronicle the survivors' fifty-year fight for justice on behalf of their skipper, Captain Charles McVay III, who is wrongly court-martialed for the sinking. "Enthralling...A gripping study of the greatest sea disaster in the history of the US Navy and its aftermath" (Kirkus Reviews, starred review), Indianapolis stands as both groundbreaking naval history and spellbinding narrative—and brings the ship and her heroic crew back to full, vivid, unforgettable life. "Vincent and Vladic have delivered an account that stands out through its crisp writing and superb research...Indianapolis is sure to hold its own for a long time" (USA TODAY).

This tribute to the creation of "Star Trek: The Next

Generation" celebrates the tenth anniversary of the popular TV series, profiling the people who originated it. 700+ illustrations & color photos.

A smart, funny take on the Charles Dickens classic BLEAK HOUSE—for anyone who's ever held on to a dream just a little too long. New York writer Ricki Carstone knows the odds of Hollywood actually turning her debut novel, Jarndyce and Jarndyce, into a movie are slim. But Moxie Bernard, the most famous teen on the planet, has signed on to star in the option. Plus, the producer is throwing her a super fabulous party in Hollywood (with Moxie!) to celebrate the relaunch of her book with a younger, sexier cover. Maybe it will happen after all. Quitting her dead-end paralegal job to move out to

Los Angeles and keep an eye on the project, Ricki meets a handsome out-of-work actor who encourages her to try her hand at screenwriting, and an experienced screenwriter who is willing to help her for a fee, which only starts out small. And then there's her cute neighbor Simon, who thinks her new friends are just taking advantage of her. Will Ricki ever see her name in lights and make it big in Hollywood?

Tom Brady and the New England Patriots overcame controversy, the NFL, Roger Goodell, legal battles, injuries, accusations, suspension, and big fourth quarter deficits to win two Super Bowls in three years and avenge Deflategate.

This is the true story behind the making of a television

Long Road to Hard Truth chronicles the early history in creating a monument for Black soldiers during the Civil War and later evolving to a national museum. The book details the endless obstacles through the decades including political machinations to deliberate maneuverings in blocking the construction of a museum to world events that put it at the bottom of priorities. It is also a memoir of Judge Wilkins' intensely emotional role in reviving the idea of the museum, and encountering years of political roadblocks, but also the

honor of becoming a member of the Presidential Commission that planned the museum, to finally turning a 100-year old desire into reality'a museum that will gather, preserve, celebrate, the facts and artifacts of African American history and culture. It is the definitive account of how the National Museum of African American History and Culture went from idea to reality, from someone who was inside the process.

Mission Amsterdam takes your young travelers through the famous sights of the Dutch capital, engaging them with an exciting scavenger hunt as you explore city landmarks together. into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp.
