## Genuine Parts Catalog - Thermo King

Thermo King MD-II SR with standby. I have a Thermo King MD-II SR that we bought used last year for use on our farm to cool produce (in transport and at home). The unit is fairly old--built in '00--but has the electric standby feature and has 0 hours on the electric engine according to the controller. I would love to be able to plug it in to save money and wear on my diesel engine, but do not have easy access to 3 phase power.
