complete resource to help the discharged worker achieve and keep their next position. FINDING A JOB IS HARD WORK. It has been estimated that as many as one out of every three workers attempts to change jobs annually in the United States. Out of a labor force of 153 million, that represents almost 50,000,000 job seekers who are seeking new employment each year. As a result, the job search process is highly competitive at all levels. It can be lengthy, frustrating, prejudicial, and unfair. Older, more traditional job finding techniques have become less productive. The traditional resume no longer has the same impact in generating the all important and often elusive

interview. Both the Wall Street Journal and USA TODAY have highlighted the fact that only about 15% of all professionals find a new position through responding to published advertisements or online postings, another 10% through placement agencies or search firms, and only 5% through unsolicited direct mail. Why then, would anyone focus 90% of their time and effort in areas that represent only about 30% of all potential opportunities? It is not uncommon for 200-300 people to respond to help wanted advertisements. Yet seldom do more than 6 to 10 people achieve interviews, and after an often lengthy process, only one person gets the job. Everyone else starts

the whole process again. Older Americans, women, and minorities can often face an even more difficult road due to unspoken, but ever-present biases. There is a better way. Tomorrow Is Today dispels the myth that the most qualified candidate always gets the job. It points out that the person who is hired is usually the one who is liked the best. This book can be a major factor in how you differentiate yourself from other candidates when the hiring decision is almost always based upon subjective factors such as the individual's personality style, body language, and manner of being interviewed. It is an invaluable resource in helping you to achieve your next position

Write romance novels, is anxious about the future, she'd love to beat her infuriating nemesis one last time. Tonight, she puts up with him. When Neil is named valedictorian, Rowan has only one chance at victory: Howl, a senior class game that takes them all over Seattle, a farewell tour of the city she loves. But after learning a group of seniors is out to get them, she and Neil reluctantly decide to team up until they're the last players left—and then they'll destroy each other. As Rowan spends more time with Neil, she realizes he's much more than the awkward linguistics nerd she's sparred with for the past four years. And, perhaps, this boy she claims to despise might actually be the boy of her

dreams. Tomorrow...maybe she's  
already fallen for him.

Lawyer Cathleen O'Dowd wants to break free from her boring image. Widowed young, she's toed the good-girl line but now wants a little fun and laughter in her days...and nights. Living in a small town, though, she can't do anything that would tarnish her professional reputation. Mac Frayne's tragic past has turned him into a sullen loner. In town to write a book on the city's founder, his plan is to get it done, then head home to his solitary existence. When circumstances force them to work together, their opposing personalities clash, but the sexual attraction between them is palpable. Can a simple

It is a story of 5 youngsters.

These government school students became the special ones who were taught how to be Afrikans by the school gardener. Teaching them the importance and superiority of the almost forgotten Afrikan science, he transformed the five privileged ones into proud, confident and honourable adults, but destiny had something else in store. One of them was carried away unexpectedly by greed and power, intensifying the Afrikan quest for four dedicated members.

Understanding from a counselors perspective on how to be free to live in abundance. It is the authors discovery of how the unlocking of the Holy Spirit that dwells on the inside of you can change your thoughts and mind-set on relationships from healing within. It's a personal journey that is followed by living a spiritual lifestyle, which connects with the ability to go deeper into yourself. The book is guided by a six-step process: knowing who you are, claiming your destiny, trusting in your divine purpose, undergoing internal defeat, setting of unrealistic expectations by others, and having unhealthy thoughts. You will have the insight to love yourself and others with the obedience of God. Gods
