Translations by Brian Friel Plot Summary | LitCharts

Brian Friel's play 'Translations' is surely one of the greatest plays of the 20th century. I caught wind of a major production of the play at the Abbey theatre in Dublin. By its dates, mid-July to mid-August I thought it must come to the Edinburgh Festival Fringe but it isn't and it won't. I saw a production of 'Translations' at the Donmar some years back and want to see it again but alas I ...

Brian Friel was born in Northern Ireland in 1929, the son of a primary school principal and a postmistress. Friel's grandparents were illiterate Irish speakers and would serve as inspiration for the tension between rural and progressive Ireland throughout Friel's work. After an unhappy stint at the National Seminary, Friel attended a teacher's college in Belfast and taught for ten years ...

Translations Study Guide | Literature Guide | LitCharts

Translation is the communication of the meaning of a source language text by means of an equivalent target language text. The English language draws a terminological distinction (which does not exist in every language) between translating (a written text) and interpreting (oral or signed communication between users of different languages); under this distinction, translation can begin only ...
