Ursula K. Le Guin by Benjamin Reed. Two decades after her nuanced meditation on growing older, Le Guin revisits the subject from another angle, perhaps the most perspectival angle there is – the question of how we measure the light of a life as it nears its sunset. Like any great writer who finds her prompts in the most improbable of places, Le Guin springboards into the existential while answering a questionnaire mailed to the Harvard class of 1951 – alumni who, if living, would all be ...

Le Guin published twenty-one novels, eleven volumes of short stories, four collections of essays, twelve books for children, six volumes of poetry and four of translation, and has received the Hugo, Nebula, Endeavor, Locus, Tiptree, Sturgeon, PEN/Malamud, and National Book awards and the Pushcart and Janet Heidinger Kafka prizes, among others.

Ursula K. Le Guin discusses her fiction, nonfiction, and poetry—both her process and her philosophy—with all the wisdom, profundity, and rigor we expect from one of the great writers of the last century. When the New York Times referred to Ursula K. Le Guin as America's greatest writer of science fiction, they just might have undersold her legacy. It's hard to look at her vast body of work—novels and stories across multiple genres, poems, translations, essays, speeches, and criticism—and see anything but one of our greatest writers, period. In a series of interviews with David Naimon (Between the Covers), Le Guin discusses craft, aesthetics, and philosophy in her fiction, poetry, and nonfiction respectively. The discussions provide ample advice and guidance for writers of every level, but also give Le Guin a chance to sound off on some of her favorite subjects: the genre wars, the patriarchy, the natural world, and what, in her opinion, makes for great writing. With excerpts from her own books and those that she looked to for inspiration, this volume is a treat for Le Guin's longtime readers, a perfect introduction for those first approaching her writing, and a tribute to her incredible life and work.

In a series of conversations with Between The Covers's David Naimon, Ursula K. Le Guin discusses her fiction, nonfiction, and poetry—both her process and her philosophy—with all the wisdom, profundity, and rigour we expect from one of our great American writers.

"A fantastical travel guide, reminiscent of Gulliver's Travels," from a narrator with "the eye of an anthropologist and the humor of a satirist." "USA Today Hailed by Neil Gaiman as "a master of the craft" and Margaret Atwood as "a quintessentially American writer," Ursula K. Le Guin is at her entertaining, thought-provoking best in this collection of ingeniously linked stories. Missing a flight, waiting in an airport, listening to garbled announcements—who doesn't hate that misery? But Sita Dulip of Cincinnati finds a way to bypass the long lines, the crowded restrooms, the nasty food, the whimpering children and domineering parents, the bookless bookstores, the plastic chairs bolted to the floor. . . . With a kind of twist and a slipping bend, easier to do than to describe, Sita travels not to Denver but to Strupsirts, a picturesque region of waterspouts and volcanoes. Or to Djeyo, where she can stay for two

nights with a balcony overlooking the amber Sea of Somue. This new method of "changing planes" enables Sita to visit bizarre societies and cultures that sometimes mirror our own . . . and sometimes open doors into the thrillingly alien. A New York Times Notable Book and Los Angeles Times bestseller, featuring illustrations by Eric Beddows, Changing Planes is your boarding pass to fifteen worlds that are vintage Le Guin, from a recipient of the PEN/Malamud Award for excellence in the art of the short story.

50TH ANNIVERSARY EDITION WITH A NEW INTRODUCTION BY DAVID MITCHELL AND A NEW AFTERWORD BY CHARLIE JANE ANDERS Ursula K. Le Guin's groundbreaking work of science fiction—winner of the Hugo and Nebula Awards. A lone human ambassador is sent to the icebound planet of Winter, a world without sexual prejudice, where the inhabitants' gender is fluid. His goal is to facilitate Winter's inclusion in a growing intergalactic civilization. But to do so he must bridge the gulf between his own views and those of the strange, intriguing culture he encounters... Embracing the aspects of psychology, society, and human emotion on an alien world, The Left Hand of Darkness stands as a landmark achievement in the annals of intellectual science fiction.

"Ursula K. Le Guin, loved by millions for her fantasy and science-fiction novels, ponders life, death and the vast beyond in So Far So Good, an astute, charming collection finished weeks before her death in January, 2018. Fans will recognize some of the motifs here—cats, wind, strong women—as well as her exploration of the intersection between soul and body, the knowable and the unknown. The writing is clear, artful and reverent as Le Guin looks back at key memories and concerns and looks forward to what is next: 'Spirit, rehearse the journey of the body/ that are to come, the motions/ of the matter that held you.'"—Washington Post "Le Guin's farewell poetry collection, contains all that created her reputation for fiction—sharp insight, restless imagination, humor that is both mordant and humane, and, above all else, that connection to all creation, that 'immense what is'."—New York Journal of Books "It's hard to think of another living author who has written so well for so long in so many styles as Ursula K. Le Guin."—Salon "She never loses touch with her reverence for the immense what is."—Margaret Atwood "There is no writer with an imagination as forceful and delicate as Le Guin's."—Grace Paley Legendary author Ursula K. Le Guin was lauded by millions for her ground-breaking science fiction novels, but she began as a poet, and wrote across genres for her entire career. In this clarifying and sublime collection—completed shortly before her death in 2018—Le Guin is unflinching in the face of mortality, and full of wonder for the mysteries beyond. Redolent of the lush natural beauty of the Pacific Northwest, with rich sounds playfully echoing myth and nursery rhyme, Le Guin bookends a long, daring, and prolific career. From "How it Seems to Me": In the vast abyss before time, self is not, and soul commingles with mist, and rock, and light. In time, soul brings the misty self to be. Then slow time hardens self to stone while ever lightening the soul, till soul can loose its hold of self . . . Ursula K. Le Guin is the author of over sixty novels, short fiction works, translations, and volumes of poetry, including the acclaimed novels The Left Hand of Darkness and The Dispossessed. Her books continue to sell millions of copies worldwide. Le Guin died in 2018 in her home in Portland, Oregon.

The inaugural volume of Library of America's Ursula K. Le Guin edition gathers her complete Orsinian writings, enchanting, richly imagined historical fiction collected here for the first time. Written before Le Guin turned to science fiction, the novel Malafrena is a tale of love and duty set in the central European country of Orsinia in the early nineteenth century, when it is ruled by the Austrian empire. The stories originally published in Orsinian Tales (1976) offer brilliantly rendered episodes of personal drama set against a history that spans Orsinia's emergence as an independent kingdom in the twelfth century to its absorption by the eastern Bloc after World War II. The volume is rounded out by two additional stories that bring the history of Orsinia up to 1989, the poem "Folksong from the Montayna Province," Le Guin's first published work, and two never before published songs in the Orsinian language. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

A collection of short stories by the legendary and iconic Ursula K. Le Guin—selected with an introduction by the author, and combined in one volume for the first time. The Unreal and the Real is a collection of some of Ursula K. Le Guin's best short stories. She has won multiple prizes and accolades from the Medal for Distinguished Contribution to American Letters to the Newbery Honor, the Nebula, Hugo, World Fantasy, and PEN/Malamud Awards. She has had her work collected over the years, but this is the first short story volume combining a full range of her work. Stories include: -Brothers and Sisters -A Week in the Country -Unlocking the Air -Imaginary Countries -The Diary of the Rose -Direction of the Road -The White Donkey -Gwilan's Harp -May's Lion -Buffalo Gals, Won't You Come Out Tonight -Horse Camp -The Water Is Wide -The Lost Children -Texts -Sleepwalkers -Hand, Cup, Shell -Ether, Or -Half Past Four -The Ones Who Walk Away from Omelas -Semely's Necklace -Nine Lives -Mazes -The First Contact with the Gorgonids -The Shobies' Story -Betrayals -The Matter of Seggri -Solitude -The Wild Girls -The Flyers of Gy -The Silence of the Asonu -The Ascent of the North Face -The Author of the Acacia Seeds -The Wife's Story -The Rule of Names -Small Change -The Poacher -Sur -She Unnames Them -The Jar of Water

Join Ursula K. Le Guin as she explores a broad array of subjects, ranging from Tolstoy, Twain, and Tolkien to women's shoes, beauty, and family life. With her customary wit, intelligence, and literary craftsmanship, she offers a diverse and highly engaging set of readings. The Wave in the Mind includes some of Le Guin's finest literary criticism, rare autobiographical writings, performance art pieces, and, most centrally, her reflections on the arts of writing and reading.

"Resistance and change often begin in art. Very often in our art, the art of words."—Ursula K. Le Guin When she began writing in the 1960s, Ursula K. Le Guin was as much of a literary outsider as one can be: a woman writing in a landscape dominated by men, a science fiction and fantasy author in an era that dismissed "genre" literature as unserious, and a westerner living far from fashionable East Coast publishing circles. The interviews collected here—spanning a remarkable forty years of productivity, and covering everything from her Berkeley childhood to Le Guin envisioning the end of capitalism—highlight that unique perspective, which conjured some of the most prescient and lasting books in modern literature.

Redolent of myths, history, nursery rhymes, and the natural world, LeGuin bookends a long, daring, and prolific career.
