LexisNexis CaseMap is a computer program that makes analyzing cases easier and allows lawyers to do a better job for their clients in less time. Daniel Siegel's practical guide is filled with numerous tips designed to help you get the most from LexisNexis CaseMap. He includes step-by-step instructions and illustrations. Designed for beginners as well as longtime users.

This book was created to assist Minnesota attorneys who are new to the estate planning practice area. It combines the planning concepts that are mandatory to any estate planning practice with practical tips, practice cautions, and intake and conveyance forms for use in client matters. This book will benefit attorneys who have not previously focused on the drafting of estate plans in Minnesota. From the initial client phone call to drafting effective distribution language and coordinating tax-qualified retirement accounts, this book walks the new estate planning practitioner through planning concepts and best practices for effective representation. The author is a respected and sought-after estate planning attorney who created a thriving law practice working exclusively with Minnesota families and their estate plans.
