Used Volvo C70 The C70's first generation
was popular enough to warrant a sequel. So,
in 2006 it returned in a thoroughly refreshed
form. A cleverly engineered hardtop roof
packs itself smoothly into the boot to give
you the best of both worlds, and although
the new C70 never enjoyed the same levels
of success as its predecessor, it's actually a
much better car from a driver's perspective.
