Bob Greene has helped millions of Americans become fit and healthy with his life-changing Best Life plan. Now, for the first time, Oprah's trusted expert on diet and fitness teams up with a leading endocrinologist and an expert dietician to offer a Best Life program tailored to the needs of people with diabetes and pre-diabetes. Coping with the unique challenges of living with these conditions can feel like a full-time job. That's why The Best Life Guide to Managing Diabetes and Pre-Diabetes takes a gradual, three-phase approach to improving diet and increasing physical activity and provides strategies for staying motivated. While offering clear guidance, the program is flexible enough that you can tailor it to your needs and abilities. The result: A way of living that improves blood sugar and helps you stave off heart disease, neuropathy, and other diabetes- and pre-diabetes-related conditions while reaching and maintaining a healthy weight. This comprehensive yet readable volume offers the information you need to protect your health whether you are controlling your disease simply with diet and exercise, are taking drugs orally, or need injected insulin. Detailed but flexible meal plans take the guesswork out of eating without making you a slave to the food scale or measuring cups. With complete nutritional analyses, the recipes for budget- and family-friendly dishes such as Vanilla Peanut Butter Smoothie, Cheesy Cornbread, and Slow-Cooked Pork ensure that you never have to sacrifice tasty food. Extensive reference sections, including a complete guide to diabetes drugs and a chart of the carbohydrate value of foods, give you quick answers you can trust, while a log for tracking your blood sugar readings, exercise, and medication helps you stay organized without hassle or added expense. With The Best Life Guide to Managing Diabetes and Pre-Diabetes, you won't have to let your life be defined by your diagnosis.

Millions of children are getting into golf all over the world. Golf offers your child unparalleled opportunities -- world travel, money for college, great career choices. However young players sometimes suffer burnout, injury, and other specific problems, ruining their love of the game and desires to keep playing. How to motivate kids to go back, practice after practice. When to focus exclusively on golf. Save on lessons, find scholarships and sponsors. How to pursue college golf and a career in professional golf. Gain insight into golf organisations and agents. Have fun along the way at the best golf camps and resorts. Golf Guide for Parents and Players unveils the secrets of success for junior and college golf, the professional tour and beyond. Whether your child is 2 or 18, just starting, has played some golf, or is already a champion -- this book will provide a chockfull of practical answers and new ideas. Whether you are a player, a golf playing parent or a parent curious about golf, this book will empower you to get the most out of the game leading you down some amazing fairways, teeing up some big dreams, and driving you toward an exhilarating golfing life.

With new nutritional information, this guide demystifies nutrition labels, discusses the four essential food groups, vitamins, calories, fats, carbohydrates, and proteins, and features a healthy diet and exercise program.
