Wing Chun Kuen, usually called Wing Chun, is a concept-based traditional Southern Chinese Kung fu style and a form of self-defense, that requires quick arm movements and strong legs to defeat opponents. Softness and performance of techniques in a relaxed manner is fundamental to Wing Chun. Regarding the History of Wing Chun, it's said to have been created by the legend of Ng Mui, an abbess who taught it to her student Yim Wing-chun as a means to defend herself against unwanted advances. Straightforward and efficient, Wing Chun Kung Fu is one of the most popular forms of Kung Fu because it emphasizes techniqu over strength. By using the skills of Wing Chun Kung Fu, a smaller and weaker person can easily overcome a larger strong opponent. With its focus on technique rather than force, it is suitable for both men and women, young and old, and for those of all levels of physical fitness.
